BLOOMFIELD AVENUE, OPPOSITE LIBERTY ST.

The senior partner of the above firm, having had upwards of 40 years practical experience in the shoeing of horses and the treatment of the different diseases of their feet and limbs and hav ing had the benefit of an acquaintance with the principal veterinary surgeons of New York and Newark, is still continuing to give his special at-

Lame Horses, and feels confident that where the disease is amenable to treatment he can effect a cure. The horse shoeing department is complete in every respect and we have greater facilities in our new workshop for conducting our business. All shoeing done by competent hands and in all cases toward mproving the gait of the horse.
